2020

COVID-19 Precautions:

In order to responsibly and successfully hold the 7th Annual Southwest Iowa Art Tour, we have put much thought and effort into the planning process so that we can ensure a safe and comfortable event for both the artists and participants. Some of this year's changes include limiting the number of participating Gathering Places and Artists, restricting the event to one day and spacing artists farther apart and/or outdoors where possible.

We kindly ask that you comply with the following guidelines, plus any additional individual posted requests.

- Maintain a minimum 6' distance between artists, volunteers and other participants.
- Masks are encouraged; respect and follow individual Gathering Place guidelines, which may include but not be limited to: masks, hand sanitizing and limited ability to 'touch and feel' wares.
- Cover your coughs or sneezes.
- Stay home if you are not feeling well or have been potentially exposed.

Thank You!
